Management in 2nd generation: Ulrich & Reinhard Janssen

PREMIUM QUALITY, INNOVATION AND FASCINATION

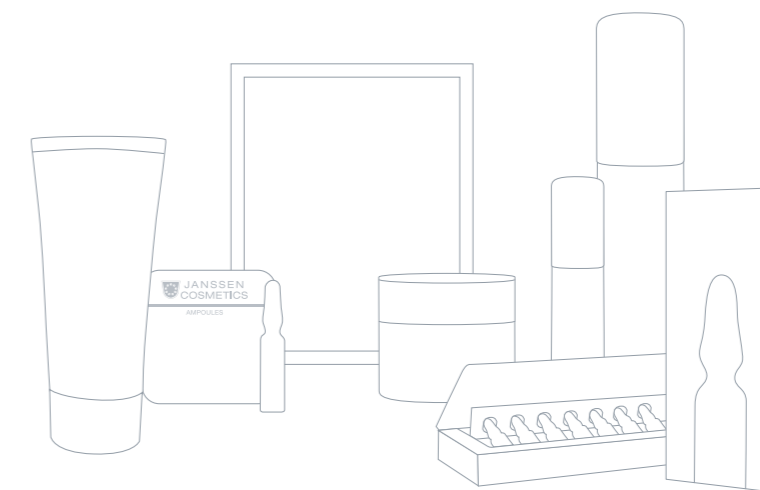

JANSSEN COSMETICS stands for passionate, innovative active ingredient combinations of the highest quality. As a pioneer in the cosmeceuticals market, JANSSEN COSMETICS develops tailor-made speciality products with convincing results. The premium products, which can be used specifically and individually for each skin condition and skin type, combine the highest quality active ingredients from modern pharmacy and cosmetics research. The result: instantly visible and palpable effects and lasting, convincing long-term results!

The Aachen-based family business was founded in 1997 by Walther and Elka Janssen and is now run in the second generation by sons Ulrich and Reinhard Janssen. The deep-acting system care solutions with potent effect and luxury treatments are sold in over 85 countries and a total of around 13,000 certified specialist institutes, selected spas and exclusive wellness hotels worldwide.

New active ingredient compounds, process technologies and analysis results are regularly tested at JANSSEN COSMETICS and implemented in new products.

Since 2017, JANSSEN COSMETICS has also held the certificate for quality management according to ISO 9001:2015 in development, sales, marketing, training and logistics – internationally recognized proof of an audited quality management system.

All products guarantee the best skin compatibility – tested by independent dermatological institutes. The „Made in Germany“ label is just as important to the Aachen based cosmetics company as sustainable and responsible conduct.

We support your professional work so that you can offer your customers the best possible care.

DRY SKIN

MOISTURE BOOSTERS FOR DRY SKIN

Dry skin is not uncommon.

It is caused by a disturbed hydro-lipid skin balance, which also impairs the skin's resilience against environmental stresses.

DRY SKIN is the tailor-made care system for both oil dry and moisture deficient skin. The innovative formulations work deeply to strengthen the skin's resilience and natural protection against external stress and premature skin aging. Dryness lines are smoothed, resilience enhanced and long lasting intensive moisture delivered, leaving the skin radiant and supple.

MAIN ACTIVE INGREDIENTS:

- Triple hyaluronic acid – intensely moisturizing, plumping and smoothing
- Imperata Cylindrica root extract – long-lasting increased moisture in the upper epidermal layers
- Pansy extract – activates water channels between cells and replenishes moisture stores
- Hydro Express Complex – increases skin moisture for up to 5 days after application

MILD CREAMY CLEANSER

An extra mild cleansing milk specially formulated for dry skin. The creamy formula thoroughly but gently cleanses the skin of excess oils, dirt and make up. Precious avocado oil nourishes and protects during cleansing, so that the skin's own moisture is retained. Mild Creamy Cleanser is easy to apply and rinse off with lukewarm water after a gentle massage.

Retail	Ref.: 5000	200 ml
Cabin	Ref.: 5000P	500 ml

RADIANT FIRMING TONIC

The refreshing facial toner cleanses the skin thoroughly and removes the last traces of make up and dirt. The alcohol-free formula is the perfect finish to facial cleansing with the Mild Creamy Cleanser. It contains soluble collagen, a moisturizing and toning ingredient that helps increase the moisture content of dry skin.

Retail	Ref.: 5001	200 ml
Cabin	Ref.: 5001P	500 ml

MILD FACE RUB

Face Rub with natural jojoba wax pearls and avocado oil has been specially developed for dry and sensitive skin. The mild cream scrub gently removes excess skin cells without irritating the skin, accelerating skin regeneration and promoting blood circulation for a supple, smooth and radiantly beautiful complexion.

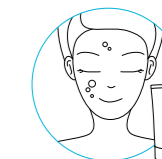

Retail	Ref.: 5008	50 ml
Cabin	Ref.: 5008P	200 ml

HYDRO ACTIVE GEL

The pleasantly light gel texture deeply moisturizes the skin. It is perfect as refreshing summer care and as a make up base for a silky, delicate complexion. Natural extracts of wild pansies and Imperata Cylindrica moisturize the skin for 24 hours.

Retail	Ref.: 5010	50 ml
Cabin	Ref.: 5010P	150 ml

SUPER HYDRATING CREAM

Thanks to triple hyaluronic acid and precious oils, the 24-hour care cream provides dry, dehydrated skin with intensive moisture and smooths dryness lines. The fast-absorbing texture gives silky suppleness and is ideal as a make up base.

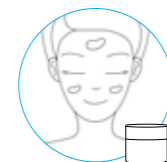

Retail Ref.: 5015 50 ml
Cabin Ref.: 5015P 150 ml

HYALURON® REPLENISH CREAM

The 24-hour care cream for sustainable and long-lasting moisturizing and visible lifting, smooths palpably and replenishes the skin's moisture and lipids. The optimal care cream in winter. The regenerating cream also protects against free radicals and strengthens the skin barrier.

Retail Ref.: 5020 50 ml
Cabin Ref.: 5020P 200 ml

HYALURON IMPULSE

Care capsules for dry skin. The creamy, delicate texture improves the skin's structure, smooths dryness lines and gives extraordinary softness. With long-chain hyaluronic acid. Apply the contents of one capsule to the skin as needed – even several times a day. For external use only.

Retail Ref.: 5024 50 pcs.
Cabin Ref.: 5024P 150 pcs.

DRY SKIN

PRO TIP

The biocellulose mask from the ESSENTIALS range is extremely moisturizing and pleasantly FRESH.

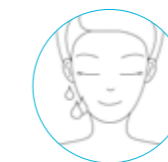

It is a first-class active enhancer and usually used in combination with a moisture concentrate to optimally moisturize the skin.

DEEP XPRESS MOIST SERUM

The moisture booster with highly concentrated hyaluronic acid and the innovative Hydro Express Complex instantly smooths dryness lines and leaves the complexion looking youthful and fresh. The highly effective formula sustainably increases the skin's moisture content and strengthens the skin barrier.

Retail Ref.: 5035 75 ml
Cabin Ref.: 5035P 200 ml

AQUALIFT EYE GEL

Thanks to the plant-based Sensitive Complex, the refreshing eye contour gel reduces dark circles under the eyes and ensures that you instantly appear alert and the eye area is smoothed. The oil-free formula cools and refreshes the skin and is ideal for glasses and contact lens wearers.

Retail Ref.: 5060 15 ml
Cabin Ref.: 5060P 30 ml

DEEP XPRESS HYDRO MASK

The refreshing gel mask provides dry skin with instantly visible and long-lasting moisture thanks to the innovative Hydro Express Complex. For a radiant, vital complexion. Ideal in combination with the Hydro Active Gel to treat the causes of moisture loss.

Retail Ref.: 5090 75 ml
Cabin Ref.: 5090P 200 ml

SENSITIVE SKIN

BUILDING, STRENGTHENING & PROTECTING SENSITIVE SKIN

A compromised protective barrier means that external stresses can quickly irritate sensitive skin, causing it to redden and feel tight. A damaged skin barrier requires targeted care and is independent of age and skin type. SENSITIVE SKIN is based on powerful active ingredients specially tailored to the needs of sensitive skin. The highly effective system care reduces redness, tightness and itching and at the same time strengthens the skin barrier.

The result: measurably reduced skin sensitivity, more resilient and relaxed skin!

MAIN ACTIVE INGREDIENTS:

- Skin Defense Complex + – Highly active phytocomplex, skin barrier-strengthening, inflammation-reducing, protective
- Isostearyl isostearate – skin barrier strengthening
- Sensitive Complex – soothes signs of irritation (redness, swelling, tightness)
- Saccharide Isomerate – moisturizes skin for up to 72 hours

SOFT CLEANSING MOUSSE

The delicate pH-neutral cleansing foam gently and mildly removes dirt and sticky residues without unnecessary physical or chemical skin irritation. The particularly mild cleansing action of the light and airy foam on the skin does not further stress the sensitive skin barrier. It contains allantoin, which soothes the skin and reduces redness.

Retail	Ref.: 2000	150 ml
Cabin	Ref.: 2000P	150 ml

SOFT SOOTHING TONIC

The alcohol-free tonic maintains the physiological pH balance of the skin, removes dirt particles and gently refreshes. The active ingredient combination of allantoin and the Sensitive Complex with highly active plant extracts soothes sensitive skin during cleansing. Redness, irritation and tightness are reduced. The tonic is the ideal finish to a thorough facial cleansing.

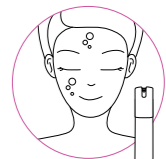

Retail	Ref.: 2001	200 ml
Cabin	Ref.: 2001P	250 ml

INTENSE CALMING LOTION

The lightweight, fast-absorbing 24-hour care emulsion is suitable for younger, sensitive skin that prefers a less oily texture. It contains Skin Defense Complex+ to promote regeneration and strengthening of the skin barrier as well as skin resilience. Anti-inflammatory compounds significantly reduce irritation and improve the skin's condition.

Retail	Ref.: 2010	50 ml
Cabin	Ref.: 2010P	150 ml

INTENSE CALMING SERUM

The light moisturizing serum is the ideal additional care for very sensitive and irritated skin, in combination with the Intense Calming Lotion or the Intense Calming Cream. It contains Skin Defense Calming Complex+ to regenerate and strengthen the skin's barrier and resilience. Furthermore, anti-inflammatory agents soothe irritated skin, alleviate redness and relax the skin.

DAILY COUPEROSE SERUM

The light special care serum is specifically designed for sensitive skin, which is prone to redness and spider veins. It is also suitable as an accompanying treatment for mild rosacea. It contains Sensitive Complex to strengthen the skin's capillary system, while the RSC Neutralizer soothes redness by reducing inflammation-promoting messengers. At the same time, it strengthens the skin barrier and intensively moisturizes the skin.

INTENSE CALMING CREAM

The soothing 24-hour care lastingly alleviates the symptoms of sensitive or irritated skin. It contains Skin Defense Complex+ to promote regeneration and strengthening of the skin barrier as well as skin resilience. Tightness and itching are effectively relieved, while anti-inflammatory agents noticeably reduce irritation.

Cabin Ref.: 2030P 50 ml

Retail Ref.: 2033 30 ml

Retail Ref.: 2020 50 ml
Cabin Ref.: 2020P 150 ml

PRO TIP

Depending on the skin condition the INSTANT SOOTHING OIL or COUPEROSE FLUID ampoule's can be used in the Cabin. Combining the ampoule's with the Collagen Aloe Vera Dermafleece Mask will deliver immediate visible success when treating sensitive skin conditions.

SENSITIVE SKIN

NEURO SKIN BALM

Special care for neurodermatitis-prone skin regenerates the compromised barrier, reduces inflammation and ensures pleasant-feeling skin. The specially developed agent made from Mondo grass extract, in combination with the Skin Defense Complex+, prolongs the remission of neurodermatitis. The skin is also intensively moisturized to compensate for its water deficit.

Retail Ref.: 2070 100 ml

COMFORT EYE CARE

The fast-absorbing and easy-to-apply eye care is suitable for the very sensitive eye area, which is prone to redness. The gentle eye care emulsion regenerates and strengthens the skin's natural protective barrier and ensures greater resistance to external irritation. Dark circles are visibly reduced thanks to organically grown eyebright and the eye area looks fresher, smoother and noticeably more supple.

Retail Ref.: 2060 15 ml
Cabin Ref.: 2060P 30 ml

INSTANT SOOTHING MASK

The SOS cream mask for irritated and acutely stressed skin soothes irritation, redness and tightness and ensures a balanced, soothed and relaxed complexion. The Skin Defense Complex+ regenerates and strengthens the natural protective barrier, at the same time providing soothing moisture. Applied before bedtime, the mask provides particularly intensive care. The ideal overnight mask.

OILY SKIN

DEEP-WORKING CARE FOR BLEMISHED SKIN

Acne and skin blemishes are not a question of age or gender! However, the needs of mature, blemished skin differ greatly from those of youthful skin.

OILY SKIN takes into account the difference between acne oleosa, typical of the oily, moist skin condition of more youthful skin, and acne sicca, which is more typical of mature skin. Highly effective ingredients such as fruit acids, salicylic acid, anti-sebum substances and MicroSilver BG™ ensure visible and rapid improvement of the skin's appearance. Skin blemishes are specifically targeted and the skin appears more balanced, even and fresh - whatever your age!

- MAIN ACTIVE INGREDIENTS:**
- Equal-Refining Complex – slows sebocyte growth, reduces oily sheen, reduces pore size
 - Fruit acids (AHA) – dissolve excess corneal growth, improve the skin structure
 - Salicylic acid (BHA) – antimicrobial, anti-inflammatory, dissolves excessive corneal growth

PURIFYING CLEANSING GEL

Cleansing gel with panthenol for gentle cleansing of dryness-prone, blemished skin. The mild cleansing gel removes dirt and excess sebum and preserves the skin's moisture content. The mild gel prevents inflammation, pimples and blackheads. The skin is ideally prepared for subsequent care products.

Retail	Ref.: 4000	200 ml
Cabin	Ref.: 4000P	500 ml

AHA + BHA CLEANSER

Cleansing emulsion with fruit acids and salicylic acid for thorough cleansing of oily, blemished skin. Applied regularly, the skin's appearance can be significantly improved. The emulsion ensures clear and pure skin, tightens pores and is particularly recommended for acne oleosa.

Retail	Ref.: 4002	200 ml
Cabin	Ref.: 4002P	500 ml

PURIFYING TONIC

Skin-clearing, pore-tightening tonic with the Equal Refining Complex for toning after each cleansing with Purifying Cleansing Gel. The tonic prevents inflammation, pimples and blackheads and leaves the skin feeling clean, fresh and soft. The skin is ideally prepared for subsequent care.

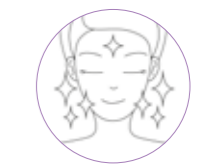

Retail	Ref.: 4001	200 ml
Cabin	Ref.: 4001P	500 ml

AHA + BHA EXFOLIATOR

Highly concentrated fruit acid exfoliant for oily, blemished or acne-prone skin. The formula combines four fruit acids with pure salicylic acid to reliably reduce the layers of dead skin cells and open clogged pores. The exfoliator stimulates cell renewal and refines the skin structure. The skin is left with a natural glow.

Retail	Ref.: 4007	30 ml
Cabin	Ref.: 4007P	50 ml

ENZYME PEELING POWDER

Gentle facial scrub powder with a keratolytic enzyme complex for dryness-prone blemished skin. The powder foams lightly with water to clean intensively and gently by dissolving excess skin flakes. The complexion appears smoother and silky matt.

Retail Ref.: 4008 50 g
Cabin Ref.: 4008P 100 g

PURIFYING BHA SERUM

Clarifying active serum with salicylic acid for blemished skin, which dissolves surface skin flakes and softens blackheads. The innovative Equal Refining Complex reduces the skin's oily sheen and tightens pores. Ideally, the serum is combined with the Light Mattifying Cream or the Regulating Retinol Cream to significantly improve the appearance of blemished skin.

Retail Ref.: 4030 30 ml
Cabin Ref.: 4030P 50 ml

MICROSILVER BG™ SERUM

MicroSilver BG™ Serum delivers ideal and long lasting results for spots, blemishes and stress-related irritations. The high-dosage formula sustainably improves the skin's appearance and strikes an optimal balance between effectiveness and tolerance.

Retail Ref.: 4031 30 ml
Cabin Ref.: 4031P 50 ml

LIGHT MATTIFYING CREAM

This light 24-hour treatment for oily, blemished skin with the innovative Equal Refining Complex and Hyaluronic Acid has been proven to reduce skin sheen and pore size. The cream gives a silky, fine complexion, soothes the skin and prevents redness.

Retail Ref.: 4010 50 ml
Cabin Ref.: 4010P 150 ml

REGULATING RETINOL CREAM

Rich 24-hour care for mature, dryness-prone blemished skin with stabilized retinol and the innovative Equal Refining Complex. Combats blemishes and promotes natural skin regeneration. The skin is instantly and intensely moisturized. The complexion is visibly refined day after day. Blemishes and fine lines are reduced.

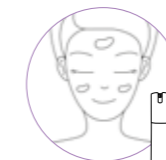

Retail Ref.: 4020 50 ml
Cabin Ref.: 4020P 150 ml

AHA FACE CREAM

Pleasantly light 24-hour care for oily, blemish-prone skin. Facial care dissolves dead skin cells and activates natural skin renewal. Blocked pores, a common cause of blackheads and inflammation, are opened. The light cream absorbs quickly and is also suitable for mature skin.

Retail Ref.: 4021 50 ml
Cabin Ref.: 4021P 150 ml

INTENSE CLEARING MASK

The deep-cleaning special mask with the innovative Equal Refining Complex and kaolin has been proven to tighten pores and normalize excess sebum production. Inflammation and blemishes are reduced and a clear, silky complexion is promoted.

Cabin Ref.: 4040P 200 ml

OILY SKIN TIPS

COMBINATION SKIN

NORMALIZING COMBINATION SKIN

Combination skin is characterized by the central area, typically forehead, nose and chin area, having an oily shine and normal or dry areas over the cheeks.

Combination Skin is based on the effective spectrum of rice bran, also known as inositol. An active ingredient that both provides dry skin areas with intensive moisture and lastingly mattifies the oily sheen on the forehead, nose and chin. A true all-rounder that balances the natural skin function and leaves a silky matt complexion.

MAIN ACTIVE INGREDIENTS:

- Inositol – balances the fat content of dry and oily skin areas
- Red algae extract – moisturizing
- Aloe vera – soothing and skin-clearing

GENTLE CLEANSING POWDER

Powder for thorough and very mild deep cleansing of combination facial skin. Effortlessly cleanses even the delicate combination skin from oil residues and make up and maintains the skin's own moisture. For a clear, matt appearance, leaving the skin feeling soft!

Retail	Ref.: 6600	100 g
Cabin	Ref.: 6600P	100 g

MEDIUM

TINTED BALANCING CREAM

The tinted care cream normalizes and balances both dry and oily areas of combination skin. The particularly low lipid content targets and nourishes combination skin, giving it an even and gently mattified surface. Combination skin's natural balance is restored and enlarged pores are visibly refined.

Retail	Ref.: 6611	50 ml
Cabin	Ref.: 6611P	100 ml

BALANCING CREAM

The very lightly textured balancing care cream normalizes dry and oily areas of combination skin. It absorbs quickly into the skin and has been shown to increase moisture. A sugar-like substance made from rice bran balances the lipid content of dry and oily skin. For refined pores and a clear, matt appearance.

FAIR SKIN

CARE PRODUCTS FOR AN EVEN SKIN TONE

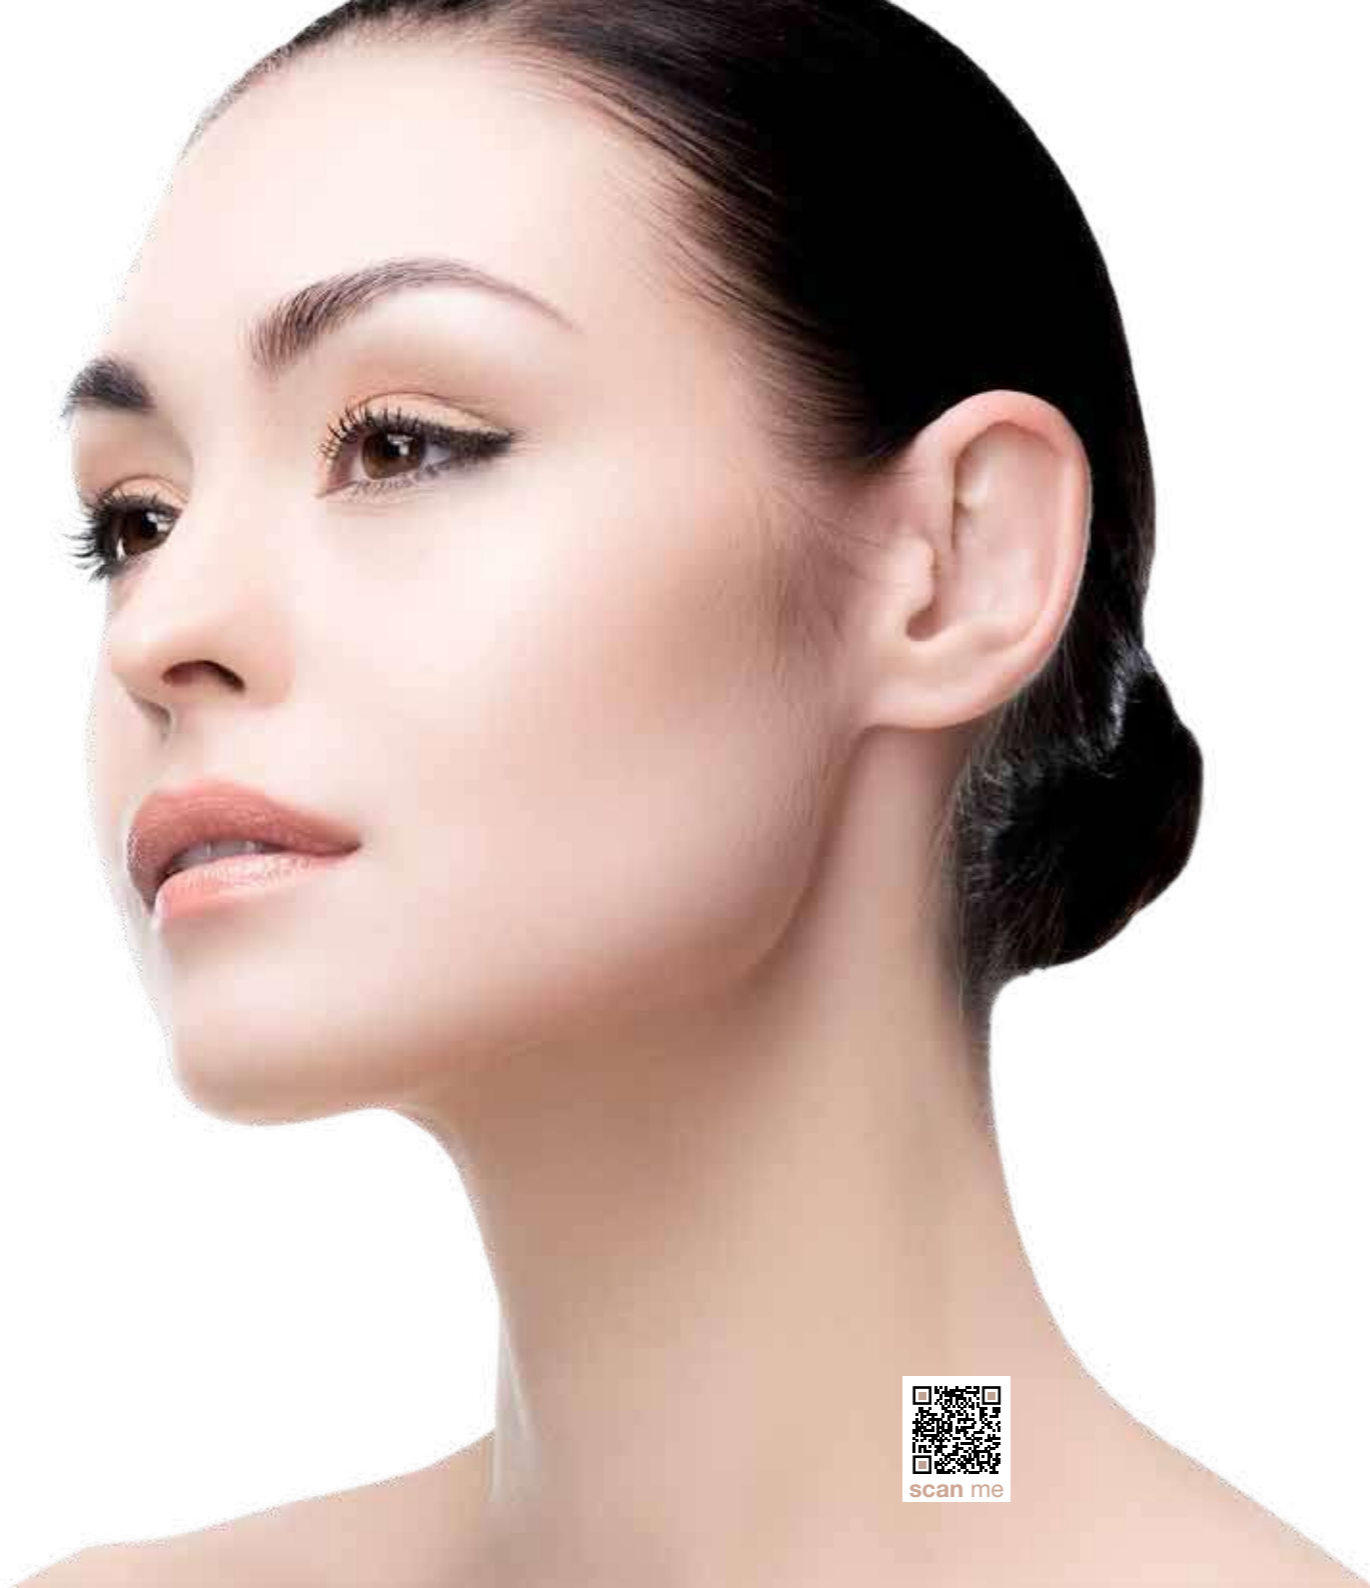

Increased skin pigmentation can have a variety of causes.. These include environmental factors, a depleted skin repair system and hormonal changes.

FAIR SKIN is based on the latest scientific research into inhibiting melanin formation and, by cleverly blocking melanin synthesis, leading to lighter, even skin in just four stages. This is made possible by cleverly combining innovative agents such as organic UVA and UVB filters, inorganic, microfine titanium dioxide, lipo-amino acids, hexylresorcinol, vitamin C and a highly effective plant extract.

MAIN ACTIVE INGREDIENTS:

- Hexylresorcinol – strong tyrosinase inhibitor that has been shown to lighten the skin within 8 weeks: +37%. Anti-aging effect
- SORR Active ingredient complex – inhibits melanin absorption in the keratinocytes, soothes and antioxidantizes, promotes an even, radiant complexion
- Lipo amino acid – skin brightener, blocks α -MSH receptors on melanocyte surfaces

MELAFADIN CLEANSING POWDER

The pleasantly scented powder contains pure vitamin C for effective skin lightening. Mixed with water to form a creamy foam, plant-based surfactants dissolve blemishes on the skin's surface. Dust, make up, cream residues and the skin's own oils are then easily rinsed off with water.

Retail	Ref.: 3300	60 g
Cabin	Ref.: 3300P	100 g

MELAFADIN TONER

The skin-friendly tonic is indispensable for a fresh, even complexion. It inhibits the appearance of dark spots through highly active plant extracts, promotes an even, invigorated complexion. The facial toner prepares the skin for effective care with other FAIR SKIN products.

Retail	Ref.: 3301	100 ml
Cabin	Ref.: 3301P	500 ml

BRIGHTENING EXFOLIATOR

Brightening Exfoliator visibly brightens dark skin and pigmentation flecks. Rounded abrasive particles reduce irregular dark discolorations. Citric and glycolic acid also exfoliate the skin at the same time delivering a two fold exfoliating effect. Surplus cornified skin cells are removed along with the excess melanin accumulated within and the skin leaving skin looking clear and fresh.

Retail	Ref.: 3307	50 ml
Cabin	Ref.: 3307P	100 ml

BRIGHTENING DAY PROTECTION

The moisturizing care cream with SPF 20 protects skin from UVA and UVB rays as well as free radicals. It inhibits new pigmentation spots from forming and ensures an immediately visible and long-term even complexion. Thanks to microfine white pigments, the skin appears lighter and flawless immediately after application. Highly effective hexylresorcinol lightens skin long-term.

DEMANDING SKIN

YOUTHFUL FRESHNESS FOR DEMANDING SKIN

Demanding skin is not a question of age.

There is a sensitive interaction between skin and well-being, so that even at a younger age a turbulent lifestyle, stress and lack of sleep leave their mark on the skin.

The first lines appear, the skin appears tired and is more susceptible to degeneration. The skin requires vitalizing care that combats the premature loss of stability and elasticity and ensures a youthful, fresh appearance. DEMANDING SKIN is the targeted care solution.

MAIN ACTIVE INGREDIENTS:

- Oat extract – palpable skin toning
- Yeast extract – reduces wrinkle volume and depth by stimulating anchor proteins in the dermal-epidermal junction
- Vitamin C phosphate – stimulates collagen synthesis, improves skin smoothness, protects against free radicals, inhibits melanin formation
- Morus alba – antioxidant, inhibits tyrosinase
- Long- and short-chain hyaluronic acid – intensely moisturizing and plumping

MATURE SKIN

THE ANTI-AGING SYSTEM FOR YOUR SKIN

Mature Skin is the exclusive anti-aging line, based on powerful and innovative active ingredient combinations. The systemic care has been specially developed for the needs of mature skin and leaves no sign of skin aging overlooked.

Whether wrinkles, dull skin, loss of elasticity or pigmentation spots: MATURE SKIN activates the skin's natural renewal process and conceals small blemishes. Perfect formulations, state-of-the-art technologies, unique textures and a delicate fragrance make MATURE SKIN an absolute anti-aging care experience. For a youthfully fresh and radiant complexion as well as firmer, more even and smoother skin!

MAIN ACTIVE INGREDIENTS:

- CRC (Cellular Regeneration Complex) – reduces wrinkles, tones, moisturizes, improves radiance
- Alpine rose plant stem cells – strengthen the skin, make the skin more resistant to environmental stress
- ESP (elastin-stimulating peptides) – stimulate elastin synthesis in the fibroblasts, strengthen connective tissue structure and lift the facial contours

MULTI ACTION CLEANSING BALM

The luxurious cleansing balm gently and thoroughly cleanses the skin of make up, sebum and dirt particles. The silky, delicate cream gel forms a rich oil when massaged into dry skin and becomes a milky emulsion when washed off with water. Raspberry stem cell extract and vitamin E lend their antioxidant properties to the cleansing balm and protect the skin from drying out.

AGE PERFECTING SERUM

The care concentrate visibly improves skin structure and firmness and gives the skin luminosity as well as a particularly fresh, youthful appearance. The Cellular Regeneration Complex ensures comprehensive regeneration of mature skin and strengthens skin structure. Wrinkles are visibly reduced and the skin toned. Vitamins C and E protect the skin from free radicals and prevent premature, light-induced skin aging.

NIGHT RECOVERY SERUM

The regenerating anti-aging serum supports the skin's nighttime repair mechanism and delivers visibly more beautiful skin in the morning. The Cellular Regeneration Complex ensures comprehensive skin regeneration and strengthens skin structure. Wrinkles are visibly reduced and the skin toned. Silk acacia extract reduces signs of fatigue. Fine lines and wrinkles are visibly reduced.

INSTANT LIFT SERUM

The instant lifting serum gives the skin refreshed radiance within minutes. Skin appears plumped, smoother, more elastic and firmer. Highly concentrated marine collagen instantly and visibly tones skin and provides it with soothing moisture. Wrinkles are visibly reduced, while the skin regains its firmness.

MATURE SKIN

PRO TIP

Every woman wants a rosy complexion, because it testifies to youthfulness and freshness. Revigorating Face Mask from the ESSENTIALS series is a preparatory gel mask for activating blood circulation during treatment.

PERFECT LIFT CREAM

The firming anti-aging care with Cellular Regeneration Complex is the perfect facial care for more toned skin and a fresher complexion. Cellular Regeneration Complex's powerful active ingredients promote holistic regeneration of mature skin and strengthen its structure. Wrinkles are visibly reduced and the skin noticeably toned.

RICH RECOVERY CREAM

The rich, revitalizing anti-aging care is ideal for mature skin that has lost density, barrier properties and resistance. The water-in-oil emulsion lays a protective film on the skin to assist its barrier properties. The Cellular Regeneration Complex ensures comprehensive skin regeneration and strengthens skin structure.

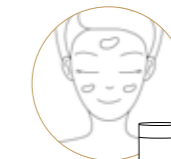

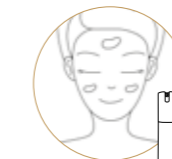

SKIN CONTOUR CREAM

The rich, structural care cream strengthens and tones skin in need of regeneration from within. Peptides stimulate elastin production, strengthen connective tissue structure and lift facial contours. The anti-inflammatory and antioxidant properties of highly active SORR plant extract combat melanin buildup and skin redness, resulting in a more even, radiant complexion.

THE ANTI-AGING SYSTEM FOR YOUR SKIN

● PLATINUM CARE
LUXURY MEETS PERFECTION

Platinum, one of the rarest and most exclusive raw materials on earth, represents extraordinary luxury and pure elegance. In the exclusive PLATINUM CARE range, this noble material has been processed in combination with other high-quality anti-aging agents.

The unique Platinum MP complex consists of three components: finely dispersed colloidal platinum, high-tech Matrixyl™ Synthe'6™ peptide and silk acacia extract. Platinum smooths and mattifies the skin's surface and instantly improves its feel. The skin instantly looks refreshed and relaxed! The high-tech Matrixyl™ Synthe'6™ peptide has extraordinary wrinkle-filling properties. The skin profile is visibly smoothed, wrinkles are plumped from within and the skin tissue is sustainably restored. Multi-active silk acacia extract also reduces signs of fatigue such as dark circles, swelling and stressed facial features – for a wonderfully youthful appearance! PLATINUM CARE is pure luxury for the skin and opens a new era in anti-aging care!

MAIN ACTIVE INGREDIENTS:

- Platinum MP Complex – noticeable improvement in skin feel, lines and wrinkles are smoothed, helps against signs of skin fatigue
- Gatulin® Expression – reduces the intensity of facial muscle contraction, relaxing facial wrinkles
- Instensyl® – instantly palpable and visible toning

DAY CREAM

The premium anti-aging day cream supplies the skin all day with highly active anti-aging ingredients. The exclusive Platinum-MP complex has been shown to improve skin structure, increase its elasticity and give it a youthful radiance. Lines and wrinkles are reduced and skin moisture is optimized. PLATINUM CARE Day Cream also contains mango butter, for a nourishing and delicate protective film on the skin, vitamin E acetate to neutralize free radicals, as well as moisturizing short- and long-chain hyaluronic acids.

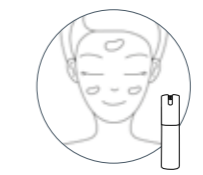

Retail	Ref.: 1210	50 ml
Cabin	Ref.: 1210P	100 ml

NIGHT CREAM

The premium anti-aging night care supports cellular regeneration processes that are especially active during the night. The Platinum MP complex has exceptional wrinkle filling properties, the skin profile is visibly smoothed, wrinkles plumped from withing and skin tissue sustainably restored. PLATINUM CARE Night Cream contains a rich lipid complex of shea and mango butter as well as macadamia nut oil. This provides a nourishing protective film and assists the epidermal corneal barrier. Vitamin E neutralizes free radicals, while short- and long-chain hyaluronic acids provide beneficial moisture.

Cabin	Ref.: 1220P	100 ml

EFFECT SERUM

The toning PLATINUM CARE Effect Serum instantly gives skin noticeably more smoothness and a wonderfully youthful radiance. The ultra-light luxury formula is based on, among other things, herbal Gatuline® Expression. The extract reduces the intensity of facial muscle contraction and relaxes the skin, significantly reducing existing facial wrinkles. The vegetable polymer Instensyl® is also an important component of the effective anti-aging serum. Its three-dimensional molecular structure instantly tones the skin. Colloidal platinum also improves the skin's feel.

Retail	Ref.: 1230	30 ml
Cabin	Ref.: 1213P	50 ml

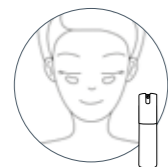

EYE CREAM

The luxury eye cream makes tired eyes shine! It supplies the eye area with highly active anti-aging ingredients around the clock. The innovative Platinum MP complex provides comprehensive improvement in skin structure and significantly more elasticity. Crow's feet appear reduced and collagen fibres damaged by glycation are repaired and protected. Sensitive Complex increases skin microcirculation and combats dark eye shadows and swelling.

PLATINUM CARE

● **ALL SKIN NEEDS**
 INDIVIDUAL COMPLEMENTARY CARE
 FOR EVERY SKIN TYPE

Skin condition is as individual as the person inside it. Careful skin diagnosis should therefore be the beginning of any successful cosmetic treatment. This often identifies skin needs, among other things, which are independent of skin type. They indicate skin conditions requiring special attention and special care products. All Skin Needs includes selected preparations that suit every skin and can complement daily care regardless of specific skin type.

FACE GUARD ADVANCED

Innovative sunscreen concentrate with SPF 30 as a day care supplement against premature, light-induced skin aging. Contains photostable UVA and UVB filters, the cell protection agent Ectoin®, effectively protecting against infrared radiation. The light emulsion is suitable for every skin type and can be combined with any day care. This means that every care is also reliably protected against UV radiation and environmental stress.

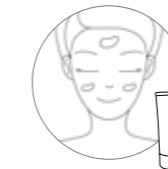

Retail	Ref.: 2832	30 ml
Cabin	Ref.: 2832P	50 ml

SCAR CREAM

This herbal cream is ideal for treating acne scars. Used as needed several times a day, the scar cream helps heal wounds. The skin becomes noticeably more supple and elastic. New connective tissue fibre formation is stimulated.

Retail	Ref.: 2400	75 ml
---------------	------------	-------

SKIN RESURFACING BALM

The soothing herbal cream for irritated skin is particularly suitable after intensive exfoliation, dermal abrasion and laser treatments. Skin Resurfacing Balm soothes and cools irritated skin. The smooth cream can also be applied several times a day as 24-hour care.

Retail	Ref.: 2300	75 ml
---------------	------------	-------

DETOX CREAM

DETOX CREAM supports the cells' own detoxification systems with highly effective detox agents and prevents cell oxidation damage. The rich texture with a 31% lipid content is ideal for dryness-prone skin. Two innovative active ingredients from yeast and avocado have been shown to increase cell activity. Vitamin C isopalmitate and vitamin E acetate protect the skin from oxidation stress.

The high-dose fluids contain a unique combination of ingredients carefully selected to achieve instantly visible and impressive long-term results.

CHILL · CBD CALMING FLUID

The perfect chill-out for your skin! CBD Calming Fluid is the intensive treatment for soothing skin. The rich formula with CBD oil soothes skin irritations and redness and strengthens the skin's resistance. CBD oil is ideal for stressed skin due to its anti-irritant properties. Truffle of the North, an innovative mushroom extract, blocks pain receptors and lessens skin irritability. Combined hyaluronic acid and aloe vera also supply beneficial moisture.

Retail	Ref.: 83403	7 x 2 ml
Cabin	Ref.: 83403P	25 x 2 ml

RESET · BI-PHASE SKIN RECOVERY

Two phases for intensive skin regeneration! Bi-Phase Skin Recovery strengthens the skin's natural barrier, leaving it glowing and well rested. The rich 2-phase vial pampers the skin with a lipid phase of precious flower and vegetable oils as well as a hydrophase of hyaluron and bush clover extract, which reduces signs of tired skin. The skin is given a soothing "reset", and the delicate lavender scent relaxes and calms.

Retail	Ref.: 83402	7 x 2 ml
Cabin	Ref.: 83402P	25 x 2 ml

GLAZE · RADIANT SKIN FLUID

With Glaze, a youthfully fresh glow is guaranteed! If the skin looks tired and dull, it needs a fresh, instantly effective treatment. Radiant Skin Fluid leaves the complexion exceptionally radiant. An algae extract from the Indian Ocean has been shown to improve the skin's radiance. Peony extract delivers more even and lighter-looking skin. 2-part hyaluron infuses the skin, reducing lines and wrinkles. For smooth skin and a natural glow!

ACTIVATE · MARINE COLLAGEN FLUID

Toning anti-aging booster! In no time, the marine collagen fluid palpably and visibly lifts. The high-dose concentrate delivers exceptional toning from the very first application. Marine collagen lies like a second skin surface, binding natural moisture and concealing fine lines and wrinkles in the blink of an eye. Pomegranate extract and hyaluronic acid plump the skin to make it appear more youthful.

Retail	Ref.: 1993	7 x 2 ml
Cabin	Ref.: 1939P	25 x 2 ml

AWAKE · EYE FLASH FLUID

The intensive treatment for radiant eyes in the morning! Eye Flash Fluid reduces puffiness and instantly smooths dryness lines and the sensitive skin around the eyes. The highly effective serum contains a combination of short- and long-chain hyaluronic acid for visible lifting. The Matrixyl 3000 peptide complex also aids collagen synthesis. Skin elasticity and resilience are improved. For refreshed and radiant eyes.

Retail Ref.: 1900 7 x 1.5 ml
Cabin Ref.: 1900P 25 x 1.5 ml

MOISTURE · HYALURON FLUID

The booster for perfectly moisturized skin! Air-conditioning, heat, cold and too little hydration dry the skin. As a result, the skin tightens and lines and wrinkles appear, regardless of age. Hyaluronic fluid provides thirsty skin with lasting moisture. Long- and short-chain hyaluronic acids moisturize, reduce dryness lines and leave the complexion looking rosy and fresh!

Retail Ref.: 1951 7 x 2 ml
Cabin Ref.: 1951P 25 x 2 ml

SLEEK · INSTANT SOOTHING OIL

Highly effective SOS helper to instantly soothe skin and strengthen the skin barrier. Instant Soothing Oil is an oil-rich concentrate for particularly dry, sensitive skin. A highly active phytocomplex of blackcurrant seed oil, balloon vine and sunflower oil has regenerative properties and reduces allergic reactions. The selected combination of ISIS, squalane, macadamia nut oil and calendula extract reduces inflammation and nourishes the skin smoothly and softly.

Retail Ref.: 1912 7 x 2 ml
Cabin Ref.: 1912P 25 x 2 ml

PURIFY · DETOX FLUID

The vitality cure to stimulate the skin's own detoxification powers. Stress, hustle and bustle and increased UV exposure overwhelm the skin's natural cell cleansing. Detox Fluid aids the skin's own elimination of damaged cells to counteract a tired, worn complexion. Highly active peptides derived from avocado as well as yeast extract and hyaluronic acid freshen and revitalize the skin. Age spots, lines and wrinkles are softened and the skin receives youthful, even radiance.

Retail Ref.: 1929 7 x 2 ml
Cabin Ref.: 1929P 25 x 2 ml

REFINING · RETINOL FLUID

The skin-refining intensive treatment impresses with its anti-aging properties. Refining Retinol Fluid targets blemishes and stimulates collagen production and cell renewal. The skin glows and is palpably toned. Deep-acting, encapsulated retinol delivers youthful radiance. The innovative Equal Refining Complex reduces oily sheen and pore size for an even complexion. Boosters such as hyaluronic acid moisturize intensively.

Retail Ref.: 1942 7 x 2 ml
Cabin Ref.: 1942P 25 x 2 ml

VITALIZE · SUPERFRUIT FLUID

Superfruit Fluid delivers concentrated vitamin C power for maximum vitality and freshness! The vial with fruity active vitamin C and a selected superfruit complex softens fine lines and wrinkles, protects the skin from premature aging and leaves the complexion rosy-fresh. With a vitamin C derivative and an antioxidant fruit extract of blueberry, kiwi, lime, goji berry and pomegranate, Superfruit Fluid is the power formula for smoother and visibly refreshed skin.

Retail Ref.: 1956 7 x 2 ml
Cabin Ref.: 1956P 25 x 2 ml

LIFTING · ANTI-WRINKLE BOOSTER

Anti-Wrinkle Booster is the non-invasive Botox alternative in vial form! The tiny miracle is suitable for every skin type and provides a maximum of skin-smoothing anti-wrinkle ingredients. Innovative active ingredients derived from South American paracress reduce facial wrinkles together with a biopolymer from the cassava root noticeably tones the skin. Hyaluronic acid hydrates and plumps the skin from within. Lines and wrinkles are reduced and skin elasticity is increased.

Retail Ref.: 1992 7 x 2 ml
Cabin Ref.: 1992P 25 x 2 ml

FLAWLESS · SKIN CONTOUR FLUID

The skin toning power fluid! Skin Contour Fluid specifically combats the loss of skin elasticity and gives it more resilience and firmness. Elastin-stimulating peptides visibly lift the facial contour of mature skin. A highly active plant extract of Sigesbeckia orientalis and Radosia rubescens is antioxidantizing and also targets pigment disorders and age spots. Skin is plumped from within and the complexion appears much more even and visibly smoothed.

Retail Ref.: 1917 7 x 2 ml
Cabin Ref.: 1917P 25 x 2 ml

ENERGY · CAVIAR EXTRACT

The energizing intensive treatment for a vital complexion! The highly concentrated, regenerating fluid allows tired, stressed skin to breathe again and gives it new vitality. Selected ingredients such as caviar extract, hyaluronic acid and a marine plankton extract stimulate natural cell and skin regeneration, combat premature skin aging and provide a rosy-fresh and radiant complexion.

Retail Ref.: 1991 7 x 2 ml
Cabin Ref.: 1991P 25 x 2 ml

INTENSE · STEM CELL FLUID

New strength and freshness for skin in need of regeneration! With age, cells lose their ability to divide. Negative influences such as UV radiation further reduce stem cells' reproductive capacity. Stem Cell Fluid contains the stem cell extract of a particularly robust apple variety. Protecting and strengthening skin cells prolongs their life cycle and the skin is guarded against premature aging. Hyaluronic acid also moisturizes and smooths the skin.

Retail Ref.: 1995 7 x 2 ml
Cabin Ref.: 1995P 25 x 2 ml

EVENLY · MELAFADIN FLUID

The special skin brightening concentrate! Melafadin fluid hinders melanin synthesis at its origin. Regular use of Melafadin Fluid in combination with other cosmeceuticals brightens skin and fades pigment spots. The combination of lipo amino acid, vitamin C phosphate and a highly active plant extract blocks melanin maturation and uptake into corneal layer cells. Long-chain hyaluronic acid moisturizes intensively and smooths the skin.

Cabin Ref.: 7583P 500 ml

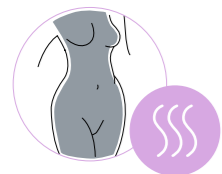

THERMO BODY PACK

Algae-based self-heating body wrap. Cover the bed with film wrapper. For partial body treatment, mix approx. 250 g of powder with 300 ml of water to form a smooth paste (more for whole body treatment). Leave to work in the film wrapper and thermal blanket for approx. 20 minutes. Then wash off.

Important note: Do not inhale dust. Use only on healthy skin. Wash hands after applying.

Cabin Ref.: 7684P 2000 g

CREAMY BODY PACK

The multi-functional Creamy Body Pack can be integrated into both the ENERGIZING and RELAXING rituals. Its smooth texture allows it to be gently applied and spread over the entire body. With a stimulating plant complex and avocado oil, the skin is silky soft, while the rich texture absorbs incredibly quickly.

Cabin Ref.: 7685P 1000 ml

3 TEA BODY PACK

Delicately scented relaxing body wrap with the concentrated antioxidant properties of 3 selected teas. Mix 300 g of powder with 450 ml of water (20°C) to form a spreadable paste. Immediately spread over the entire body. Cover the body with film wrapper and let the client rest under a thermal blanket for 20 minutes. Then rinse well.

Cabin Ref.: 7686P 1000 g

CRYOGENIC ALGINATE "ARCTIC"

Cryogenic Alginate "Arctic" is a cooling multi-functional algae-based peel-off mask. During application, the soft model layer becomes a plastic surface film and tones the contours of the breasts and legs. Cover the bed with film wrapper. Mix approx. 150 g with water (300 ml/ approx. 20°C) to form a spreadable paste and apply immediately. After a working time of approx. 20 minutes, remove the mask in one piece.

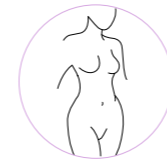

Cabin Ref.: 7691P 1000 g

ESSENTIAL OIL COMPLEX

Essential Oil Complex is a unique and wonderfully relaxing compound of natural essential oils. Fresh, cheerful notes of orange and grapefruit combine with the harmonizing, balancing notes of marjoram and ylang ylang to create a gentle fragrance that ensures relaxation and well-being. Stir 10-15 drops of the complex into 300 to 500 g of body powder.

EXFOLIATION SYSTEM

SPECIAL TREATMENT WITH INSTANT RESULTS

The highly effective, fruit acid-based EXFOLIATION SYSTEM treatment concept may only be used by trained JANSSEN COSMETICS partners.

The deep-working treatment method can effectively alleviate surface irregularities, pigmentation disorders, blemishes and fine lines in tired, pale skin. Success is quickly visible and the skin is more radiant, youthful and even.

There are many reasons to use JANSSEN COSMETICS' EXFOLIATION SYSTEM. Even cosmeceutical concentrates, creams and masks work best when the skin is properly prepared. EXFOLIATION SYSTEM does this especially well, and perfectly prepares the skin for subsequent products.

CLEANSER

Cleansing milk with 1.6% fruit acids. For preparing all skin types to be subsequently treated with fruit acid-containing gels. The content of fruit acids and salicylic acid has a keratolytic effect i.e. They loosen and assist with the exfoliation of excess dead skin cells. Blemishes are effectively targeted. Skin becomes clean and clear.

Cabin Ref.: 5700P 250 ml

NEW

PH NEUTRALIZER

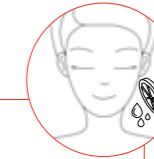

Neutralizes acid residues on the skin from previous exfoliation and helps soothe the skin with nourishing and soothing active ingredients. The neutralizing agent is sodium bicarbonate. Soda reacts with fruit acids to form carbon dioxide. This process can be seen on the skin by foaming, accompanied by a brief, intense tingling. The properties of allantoin, panthenol and witch hazel contribute to soothing the skin.

Cabin Ref.: 5710P 250 ml

ATTENTION:

Neutralizing the skin after the use of acidic exfoliation (at all concentrations), immediately after the exfoliant has been washed off, is an absolute must.

NOTE:

Methodical treatment with EXFOLIATION SYSTEM is only intended for professional use in the studio.

For safe and professional use of the EXFOLIATION SYSTEM, participation in the corresponding training is mandatory.

Training takes place regularly scan here to find out more.

EXFOLIATOR 20

Exfoliating gel with 20% fruit acids – the mildest fruit acid in the EXFOLIATION SYSTEM. The pH-optimized acid mixture is a gentle introduction to the extraordinary exfoliation skin renewal method. The well-dosed fruit acids are incorporated into a cooling gel and guarantee the best skin tolerance. The maximum working time of 20 minutes depends on the skin condition to be treated. After washing off Exfoliator 20, the skin pH is neutralized.

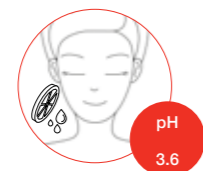

Cabin Ref.: 5720P 50 ml

EXFOLIATOR 30

Exfoliating gel with 30% fruit acids – a mild fruit acid in the EXFOLIATION SYSTEM. The pH-optimized acid mixture is the next step in the extraordinary exfoliation skin renewal method. The well-dosed fruit acids are incorporated into a cooling gel and guarantee the best skin tolerance. The maximum working time of 15 minutes depends on the skin condition to be treated. After washing off Exfoliator 30, the skin pH is neutralized.

Cabin Ref.: 5730P 50 ml

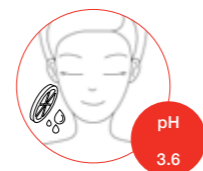

NEW

EXFOLIATOR 40

Intensive fruit acid in the EXFOLIATION SYSTEM. The pH-optimized acid mixture is the next step in the extraordinary exfoliation skin renewal method. The fruit acids – now newly enriched with stimulating and astringent lemon extract – are incorporated into a cooling gel and guarantee the best skin tolerance. The maximum working time of 8 minutes depends on the skin type to be treated. After washing off Exfoliator 40, the skin pH is neutralized.

Cabin Ref.: 5740P 50 ml

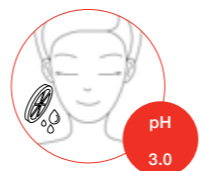

NEW

EXFOLIATOR 60

The most intense fruit acid in the EXFOLIATION SYSTEM. The pH-optimized acid mixture rounds off the extraordinary exfoliation skin renewal method. The fruit acids – now newly enriched with stimulating and astringent lemon extract – are incorporated into a cooling gel and guarantee the best skin tolerance. The maximum working time of 5 minutes depends on the skin condition to be treated. After washing off Exfoliator 60, the skin pH is neutralized.

Cabin Ref.: 5760P 50 ml

PRO TIP

FACE GUARD ADVANCED with SPF 30 is the ideal supplement and protects skin against the sun's rays.

ATTENTION:

Please note the individual working times of the respective exfoliator. The working time is precisely specified in the product description and depends on the exfoliant concentration and the skin condition to be treated. Please stay with your customers in the studio during the working time so that you can immediately wash the product off in the event of adverse reaction and then neutralize the skin.

1-2 treatments can be performed per week. The exfoliant concentration increases from week to week in order to slowly accustom the skin to the fruit acid and to avoid irritation from the higher concentration exfoliant. Depending on the treatment goal, the cycle can be repeated 1-2 times.

A course of treatment over 4 weeks will achieve the best results:

- 1ST week: EXFOLIATOR 20
- 2ND week: EXFOLIATOR 30
- 3RD week: EXFOLIATOR 40
- 4TH week: EXFOLIATOR 60

DERMAFLEECE MASKS

Our exceptional Dermafleece masks based on high-quality, ultra-pure collagen. Naturally soluble bovine collagen is processed into a biomatrix in an innovative manufacturing process. As soon as the biomatrix is moistened, it behaves like a second skin and forms to every facial contour.

Dermafleece masks serve two functions: They are active ingredients and carriers in one. In addition to excellent hydrating properties, the fleece masks have impressive anti-irritant qualities. This guarantees reliable treatment for every skin type and condition.

COLLAGEN ALOE VERA

Ideal for sensitive, irritated skin. This condition can occur in both dry and oily skin types. Collagen Aloe Vera has a soothing, anti-inflammatory and balancing effect. Collagen's high water binding capacity optimizes skin hydration. With collagen and Aloe Vera.

Cabin Ref.: 8104.902 1 blister

COLLAGEN ALLANTOIN & PANTHENOL

This Dermafleece mask protects effectively against free radicals. Ideal for light-damaged, prematurely aged skin. Collagen Allantoin & Panthenol leaves skin feeling velvety soft. With collagen, allantoin and panthenol.

Cabin Ref.: 8104.903 1 blister

COLLAGEN VITAMIN C

This fleece mask revitalizes demanding skin. The high vitamin C content stimulates new collagen fibre formation and hinders their degradation. At the same time, moisture content is increased and the skin is visibly smoothed. With collagen and vitamin C.

Cabin Ref.: 8104.912 1 blister

COLLAGEN CAVIAR EXTRACT

The fleece mask for tired skin protects the collagen and elastic fibres and visibly firms facial contours. Caviar extract stimulates cell regeneration, is an ideal free radical interceptor and promotes skin micro-circulation. With collagen and caviar extract.

Cabin Ref.: 8104.913 1 blister

COLLAGEN FAIR SKIN

The active ingredients in this fleece mask aid in skin brightening and at the same time mobilize its defenses. Damage from stresses such as UV, dryness and heat as well as premature light aging can thus be effectively prevented. With collagen, alpha-arbutin, citric acid, licorice root extract, ectoin® and grape seed extract.

Cabin Ref.: 8104.917 1 blister

COLLAGEN PURE

The pure collagen fleece mask for any skin is particularly suitable for increasing skin moisture and strengthening tissue structure. The skin regains its elasticity and suppleness and looks fresher and more relaxed.

Cabin Ref.: 8104.901 1 blister

COLLAGEN HYALURON

Collagen Hyaluron balances the moisture deficit of dry skin. The intensive moisturizer & wrinkle filler instantly ensures smooth and plumped skin. Skin is visibly and palpably smoother with the first application. Dryness lines are visibly reduced. The skin appears fuller and fresher. With collagen and hyaluronic acid.

PEEL-OFF MASKS

These high-quality powder masks have been specially developed for cosmetic treatment in the studio. They are mixed with Mask Activator and applied immediately to the face and neck, and/or to the décolleté and hands. There they cling like a second skin and do their work: While the mask slowly becomes firm, moisture collects in the upper layer of the skin under the elastic, impermeable mask. At the same time, the active ingredients in the Peel-Off Mask and additional agents, e.g. from ampoules, can easily infuse the skin and quickly provide it with intensive care.

The comprehensive Peel-Off Mask range can be optimally incorporated into treatments or offered as separate treatment.

OLIVE BALANCING

Caring for combination skin is always a challenge of balancing dry and oily skin zones. Excess oil should be absorbed from the skin while the dry areas deeply moisturised. Olive oil is rich in oleic, linoleic and palmitic acids. Silica normalizes oily skin zones, the mask is also anti-inflammatory. Curry herb oil is an anti-inflammatory.

Cabin Ref.: 8366P 10 x 30 g

DEAD SEA BLACK MASK

The alginate mask's absorbent properties are enhanced by the addition of active ingredients from Dead Sea sediment. In particular, complexions, which are prone to blemishes, sebaceous gland hyperactivity and enlarged pores, benefit from its skin-clearing properties. The addition of tea tree oil protects effectively against further blemishes.

Cabin Ref.: P-837P 10 x 30 g

ACEROLA VITAMIN C MASK

Acerola Vitamin C Powder Mask revitalizes and firms tired, stressed skin with extracts of acerola cherry, valued for its high vitamin C concentration. It also contains vitamins A and B3. The vitamin mixture protects tired skin from harmful free radicals. Vitamin C stimulates collagen synthesis and promotes firm skin from within.

Cabin Ref.: P-832P 10 x 30 g

BOTANICA WHITE MASK

Botanica White Mask with the high-quality herbal complex of mulberry root, grape, and skullcap extract. Significantly inhibits the enzyme responsible for melanin production. At the same time, it prevents excessive new skin pigment formation. Ideal for hyper-pigmentation such as age spots and for skin brightening treatments.

Cabin Ref.: P-834P 10 x 30 g

SPIRULINA GREEN MASK

Spirulina Green Mask gently stimulates the metabolism. Toxins and accumulated tissue fluid are quickly flushed away. Spirulina is one of the oldest microalgae still in existence and is the best plant protein supplier. In addition to all essential aminoacids, the protein content is approx. 65 % and provides the necessary energy boost for an improved metabolism. Ideal for detox treatments.

Cabin Ref.: P-831P 10 x 30 g

SNOW ALGAE HYDRATING

The Snow Algae Hydrating Mask refreshes, invigorates and moisturizes. Pores are tightened. The mask contains highly effective antioxidants to combat premature skin aging.

Cabin Ref.: 8350P 10 x 30 g

ALOE DE-STRESS

This moisturizing mask with Aloe Vera and Spirulina Platensis extract soothes and strengthens the skin. Alginate, soy peptides and soy isoflavones provide additional anti-aging properties. These precious ingredients effectively strengthen the skin's natural defense and protective mechanisms.

Cabin Ref.: 8355P 10 x 30 g

GOJI ANTI OXIDANT

Goji Anti Oxidant soothes and rejuvenates tired-looking demanding skin. The concentrated extract of sea buckthorn and goji berries soothes stressed skin and boosts its natural protection. Both ingredients are natural free radical interceptors and boost the antioxidant benefits of vitamin C.

Cabin Ref.: 8399P 10 x 30 g

IMPORTANT NOTE

Please do not put any PEEL OFF MASK remnants into the drain. Always allow mask residues to dry and dispose of with household waste.

PEEL-OFF MASKS

PRO TIP

The PEEL OFF MASKS are even more effective when used in combination with ampoules. Combined with the effective skin boosters they deliver immediate results and create a targeted power program for every skin type.

FACIAL CREAM MASKS

The creamy masks with their extra-smooth texture are ready to use immediately. Facial cream masks can be easily applied to the face, neck and décolleté with a mask brush and start to work instantly.

The cream masks suit all skin types, supplement treatment areas such as anti-aging, skin soothing or revitalization and combine perfectly with the ampoules.

HYDRATING CREAM MASK

The powerful cream formula with the innovative Hydro Express Complex moisturizer, forms an invisible, imperceptible molecular moisture matrix on the skin to effectively protect against dehydration. The skin is intensely moisturized, supple and free from unpleasant tightness.

Cabin Ref.: 8551P 200 ml

FRUIT PEEL CREAM MASK

Fruit Peel Cream Mask refines the skin's surface with mild fruit acids. The slightly acidic pH (4) inhibits blemishes and inflammation while ensuring optimum skin tolerance. Freshly formed cells appear more quickly on the skin, instantly bestowing a fresher appearance. With alpha hydroxy acid (AHA), saccharide isomerates, isostearyl isostearates and bisabolol.

Cabin Ref.: 8541P 200 ml

AGE DEFYING CREAM MASK

The Age Defying Cream Mask preserves the youthfulness of demanding skin and nourishes it to even greater beauty. Highly active peptides stimulate the production of repair enzymes in the skin. The skin is better protected against environmental stresses such as oxidation and UV radiation. With rice extract, isostearyl isostearate, bisabolol and glycerol.

Cabin Ref.: 8500P 200 ml

LIFT CONTOUR CREAM MASK

Lift Contour Cream Mask remodels tired skin and strengthens it from within. It reaches the skin where aging begins. Elastin-stimulating peptides tighten slack cheeks and rejuvenate mature skin's appearance. With elastin-stimulating peptides (ESP), isostearyl isostearates, bisabolol and glycerol.

Cabin Ref.: 8510P 200 ml

POMEGRANATE CREAM MASK

The Pomegranate Cream Mask is the optimal instant care for tired, stressed skin. The secret of this vitalizing anti-aging mask is precious pomegranate flower extract, an exotic power fruit that has long symbolized life and beauty in many cultures. Combined with vitamin C phosphate, an innovative anti-aging complex is created that promotes collagen synthesis and reduces age-induced collagen fibre degradation.

Cabin Ref.: 8560P 200 ml

MOOR CREAM MASK

The Moor Cream Mask is a revitalizing cream pack. Precious moor peat invigorates the complexion. The delightful, balsamic scent of mountain pine promotes improved capillary circulation and revitalizes the skin. With moor peat, allantoin and glycerin.

Cabin Ref.: 8530P 200 ml

CREAM MASKS

PEELING MASKS

Our peeling masks guarantee exceptional deep cleansing after the classic surface cleansing.

These special masks perfectly prepare the skin so the intensive active ampoules and concentrates penetrate even deeper into the skin.

ENZYME PEELING MASK

With the aid of the Enzyme Peeling Mask, the intracellular cement between the keratinised skin in the stratum corneum is dissolved. At the same time, the enzymes also penetrate between the blackhead plug and the follicle wall, thereby partially loosening and dissolving sebum and horny mixture. As a result of this, skin impurities are effectively prevented or removed, the skin profile is refined and the skin is optimally prepared for the subsequent treatment.

Cabin Ref.: 7807P 300 g

THERMO PEEL MASK CRANBERRY

This skin-smoothing combined mask and peel, enriched with the dried and crushed cranberries offers a perceptible warming effect. On application there is a temporary 'hot flash' delivering very special experience! The crushed cranberry is an outstanding exfoliation medium, whilst the micro-fine powder comprised of dried cranberries is the ideal form for presenting all of its biologically active substances. Even the fruity, fresh fragrance is naturally retained.

Cabin Ref.: 7570P 300 g

ESSENTIALS

Professional Essentials are special preparations that can be integrated into any treatment room and can be used in any skin type treatment. Essentials includes innovative special masks, complimentary creams and the Mask Activator for Peel-Off Masks and Dermafleece Masks.

ESSENTIALS

MASK ACTIVATOR

JANSSEN COSMETICS recommends the Mask Activator whenever PEEL-OFF MASKS or the MASSAGE FLEECE are to be used and DERMAFLEECE MASKS are to be moistened: Mask Activator provides the conditions decisive for the effectiveness, product quality and skin friendliness of the respective mask preparation. Suitable for all skin types, including very sensitive skin.

Cabin Ref.: 5589P 500 ml
Ref.: 5590P 1000 ml

HERBAL SKIN OINTMENT

The perfect complement and finishing touch for areas that are usually overlooked, such as hands, feet and elbows, during a facial and décolleté massage. Stressed, dry and rough skin is soothed, granulation is accelerated and skin irritation is alleviated. With echinacea, bisabolol, farnesol and lavender oil.

Cabin Ref.: 5520P 200 ml

MASSAGE FLEECE FACE PURE

Combine with a selected ampoule to create your individual massage gel. Grease-free, cooling, odorless and easy to apply. Skin instantly regains lost moisture, while the ampoule concentrate contributes to its improvement.

Cabin Ref.: 8301.901 1 set

RELAXING MASSAGE CREAM

Relaxing Massage Cream enables facial massages which have the aim of stimulating the circulation, micro circulation, and the lymph in such a way that collections of fluid are mobilized. The result is lymph accumulations in the skin tissue are reduced via the circulation and lymphatic flow. This enables e.g. puffiness beneath the eyes to be smoothed. The skin is additionally left looking smoother and more supple. With bisabolol, avacado oil and orange oil.

Cabin Ref.: 5580P 200 ml

REVIGORATING FACE MASK

A stimulating, preparatory gel mask for optimal absorption of subsequent treatment with defined products. Guarantees faster and deeper absorption. Especially recommended for anti-aging treatments. Not for sensitive, blemished skin or couperose/rosacea.

Cabin Ref.: 5504P 150 ml

THERMO FACE MASK

Self-warming mask. The true "all-rounder" dual-action mask with impressive lifting results: Heat and vasodilation achieve significantly better product penetration. After cooling and vasoconstriction, the active ingredients are perfectly sealed in.

Cabin Ref.: 5540P 4 x 440 g

BIOCELLULOSE MASK

The professional mask material is of excellent quality. It is highly flexible, water-insoluble and resembles natural skin. Each mask consists of a finely structured biocellulose membrane that fits snugly to all facial contours like a second skin. The Biocellulose Mask is particularly receptive to the solution with which it is impregnated. Combined with a JANSSEN COSMETICS concentrate, every application is a success.

Cabin Ref.: 8205P 5 pcs.

BLACK DETOX BUBBLE MASK

The black fleece consists of bio-cellulose and Japanese activated carbon (binchotan) and is impregnated with a serum of stabilized oxygen and fruit acids. On contact with skin, the oxygen is released and a delicate foam forms. This reaction enables intensive skin oxygenation and helps to activate skin metabolism – important for healthy radiance!

MAKE UP

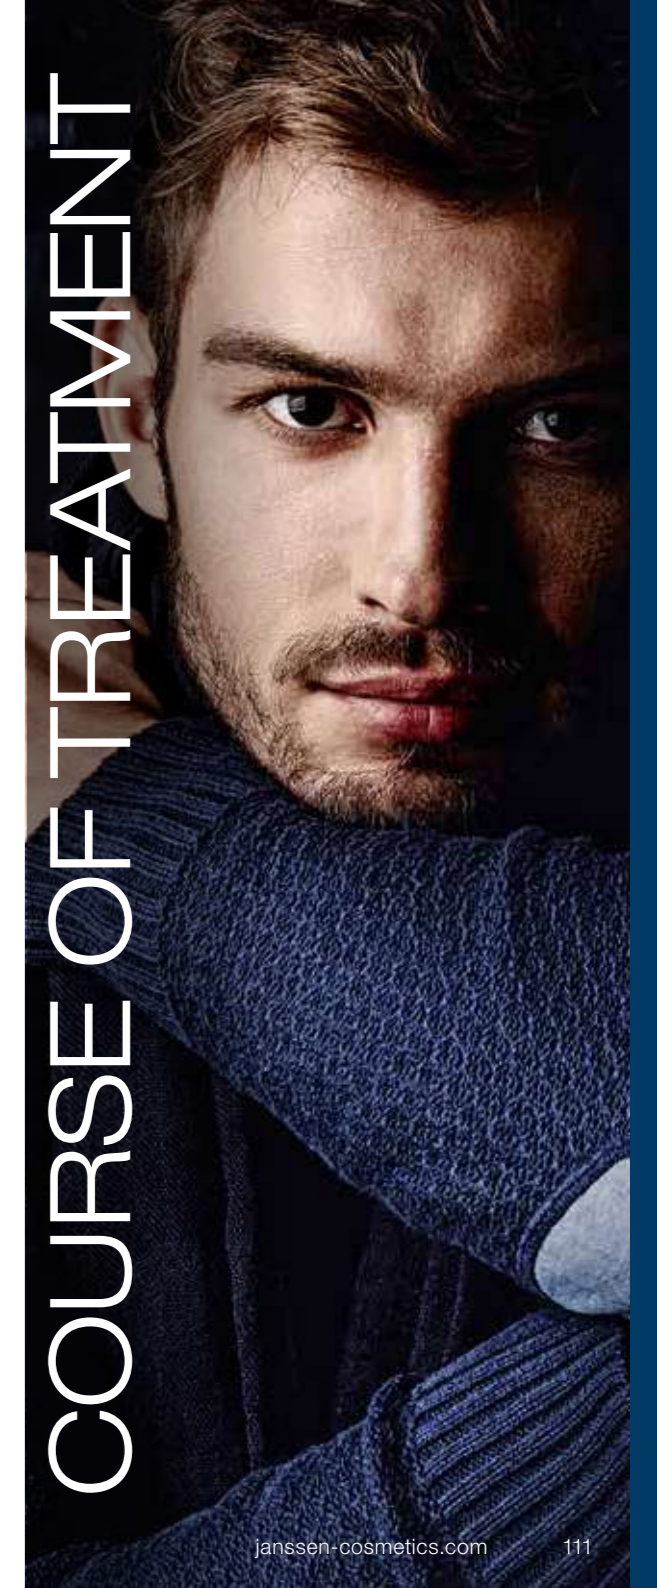

COURSE OF TREATMENT

Skin pre-treatment	<ul style="list-style-type: none"> · Cleansing with skin type-appropriate cleansing gel/milk · Toning with appropriate tonic
Deep skin cleansing	<ul style="list-style-type: none"> · Facial or body exfoliation (elimination of dead skin cells, smooth skin surface, skin irregularities evened out for better cream absorption)
Skin care	<ul style="list-style-type: none"> · Skin care cream corresponding to skin type, condition and need
Camouflage cream application	<ul style="list-style-type: none"> · Using a spatula, apply an approx. pea-sized amount of Perfect Cover Cream in one or more colors to the back of the hand and mix until it corresponds to the skin color. · Apply to skin with a make up sponge or make up brush. If necessary, moisten the sponge slightly and work in the cream well. Apply in thin coats. · Repeat until desired opacity is reached. · Apply plenty of Perfect Powder Fixing powder so the camouflage cream holds well. After approx. 10 minutes, the camouflage cream is waterproof and rub-resistant. Brush off excess powder with a baby brush (soft bristles).
Applying fixing powder	
Cheek Blush and Make Up	<ul style="list-style-type: none"> · Apply some cheek blush to give the face a natural accent. Finally, apply make up as usual. · Rub the made-up skin areas with special cleansing cream.
Removing camouflage cream	<ul style="list-style-type: none"> · Remove cream with a paper towel · Then use a skin type-appropriate cleansing milk/gel for for final cleansing.
Skin care	<ul style="list-style-type: none"> · Skin care cream corresponding to skin type, condition and need.
